Dehumanisation of Humanity

This work is based on this fundamental

People are free because they are equal and they are equal because they are free. Without equality in existence liberty cannot exist, and without liberty in existence equality cannot either. This is the rationale, in which a new civilisation must be born to replace this uncivilised, ruthless and brutal system of so called civilisation; that is based on power, rooted in money, owning, winning and pride, that is expressed and exercised in the fiercest of competition and, that is run like an excellent machine, and that tries to put the mask of ration in the ugliest of irrationality and, that waters and nurtures inhumanity and bars all the avenues of human potentials to be-to be free and equal and to live and deny to accept a state of merely staying alive.
