The idea of this is that this would be a Humanity Cafe, where people just turn up knowing that all other like-minded souls would turn up there, after work for a chat and coffee or tea. This would be a regular and on-going but informal gathering of people. It would begin as a weekly space on a fixed evening, after work between a set time-window, when people will be encouraged to just turn up. This gives the communal connections to all, who come to share this space.

This is for anyone and everyone, who is interested in this humanity-space. However, this in the very long run, as and when The Foundation has established itself well enough, will be housed at 'Cafe Elleesium', which would be a twenty-four-seven and on-going Cafe and Art Gallery and Performance Space, where The Elleesium Circle will be housed. This Cafe Elleesium will be a Cafe but it will be arranged in a way so that it shall displays as a permanent art exhibition from an always-changing list of local artists and the idea is to promote their works and help them sell and seek to earn some return to support their physical existence. Further, the Elleesium Cafe will offer an on-going performance venue for all small readings, recitals, gatherings and lectures etc. And it will have a Humanics Bookshop. Cafe Elleesium will be the Living

Breathing Cafe-Art-Gallery-Humanics Museum of Humanity and Human Creativity.
